Preface

The Apotheosis of Charles Lane Poole

G. Bolton

Why 'A forest conscienceness'?

M.C. Calver, H. Bigler-Cole, G.C. Bolton, J. Dargavel, A. Gaynor, P. Horwitz, J. Mills & G. Wardell-Johnson

SYMPOSIUM I: A FOREST CONSCIENCENESS

Professional conscience vs popular consciousness - Changing management of scenic rim forests in NSW 3

I.D. Abbott & J.L. Lennon

Alfred Sharpe's forest consciousness in New Zealand and Australia, 1859-1908 17

J. Beattie

Managing places of social significance in State Forest 27

J. Becker

A historical forest management conundrum: Do social and biophysical science mix? 35

H. Bigler-Cole

Seeing the trees and the wood 47

B. Bunbury

The re-enchanted forest 55

L.J. Christensen

Charles Lane Poole in the transition from Empire 65

J. Dargavel

'The Children are running wild ...': Uncovering childhood at a forest sawmill camp 75

P. Davies

Living with trees - Perspectives from the suburbs 85

L. Head & P. Muir

Cultural landscapes – A concept for raising forest conscienceness <i>J.L. Lennon</i>	95
A personal account of involvement with Western Australian forests <i>M.J. McBain</i>	107
Nature as culture: Transformed by the bush <i>P. O'Brien</i>	121
Georgiana Molloy and early forest botany in the Augusta to Busselton area of Western Australia <i>S.J. Patrick</i>	131
Edward Phillips Turner: The development of a 'Forest Sense' in New Zealand 1890s to 1930s <i>M. Roche</i>	143
Working in the timber industry in Western Australia in the 1990s <i>W.J. Smart</i>	155
Working in the timber industry in Western Australia in the 1990s: A response to Smart <i>D. Mills</i>	159
Forests, character and conscience: Lane Poole in Western Australia as recounted mainly by John Thomson <i>M. Wood</i>	161

SYMPOSIUM 2: ECOSYSTEM HEALTH

People, their values, and forest management - An American experience <i>J.D. Blackwood</i>	173
Systemic forest health: The changing role of public participation in WA forest policy and management <i>M. Brueckner</i>	181
Human health and forested ecosystems: Exploring historical transitions of diseases and perceptions <i>M. Gilles & P. Horwitz</i>	193
The influence of forests on the economic well being of human communities <i>S. Lumley</i>	201
Living with change: Human impacts of recent restructuring of the native hardwood timber industry in WA <i>G. Miller</i>	213
Changes in the way people perceive the biophysical condition of jarrah forest <i>A.W.T. Watson</i>	225

SYMPOSIUM 3: CONFLICTS OVER FOREST USE: HISTORY AND RESOLUTION

The functions of Korean national forests in the Japanese colonial period (1910-1945) <i>J.S. Bae</i>	235
The 1970s as a time of transition for Western Australian native forests protest <i>R. Chapman</i>	245
Laying claim to Nicaragua's mahogany forest, ca. 1880s-1910s <i>M. Gismondi & J. Mouat</i>	255
The Eden woodchip debate: Part II (1987-2004) <i>D. Lunney</i>	265
Stakeholders contest the future of Goolengook <i>A. Nelson</i>	325

Simple spatially-based model to prevent forest land use conflicts <i>S.T. Utomo, G.L. Wright & R. Corner</i>	337
Ending logging of old-growth forests: Key social and economic factors in Western Australia <i>D. Worth</i>	349

SYMPOSIUM 4: OPEN FORUM

Changes to tuart woodland in Yalgorup National Park over four decades <i>R.D. Archibald, B.J. Bowen, G.E.St.J. Hardy, J.E.D. Fox & D.J. Ward</i>	363
May Holman, Katharine Prichard and the timberworkers <i>G. Bolton</i>	373
The legacy of sustenance <i>F.J. Bradshaw</i>	379
History of <i>Phytophthora cinnamomi</i> management in Western Australia <i>B. Dell, G.E.St.J. Hardy & K. Vear</i>	391
My experiences in the timber industry in south-western Australia <i>B. Gardner</i>	407
Karridale: The growth and decline of a timber settlement <i>B. Goodacre</i>	413
The forest, the timber industry and the microscope <i>R. Heady</i>	423
The development of pine logging in Western Australia <i>P.N. Hewett & J.B. Sclater</i>	431
Historical perspectives on mosaic burning in Western Australia's southwest forests <i>N. Lloyd & A. Krasnostein</i>	439
Forest policy and management changes from a field forester's perspective <i>A. Lush</i>	451
Getting involved: A personal account of involvement in the forests debate in Western Australia <i>B. Schultz</i>	463
Forest history in names <i>J.B. Sclater</i>	473
The influence of land-use history on roadside conservation values in an Australian agricultural landscape <i>P.G. Spooner & I.D. Lunt</i>	483
1919 to 1935: A pivotal period for the forests of the south west of Western Australia <i>J. Williamson, S. Moore & C. Warren</i>	503

SYMPOSIUM 5: RECONSTRUCTING PRE-EUROPEAN FORESTS

Hidden histories: Tree-ring analysis of late Holocene swamp kauri, Waikato, New Zealand <i>G. Boswijk, A. Fowler & J. Palmer</i>	517
Reconstructing Aboriginal impacts on Australian forests: Archaeological studies from south-western Australia <i>J. Dortch</i>	527
A blast from the past: A dendroecological reconstruction of forest windthrow, North Island, New Zealand <i>T.J. Martin & J. Ogden</i>	543

Application of fire history records to contemporary management issues in south-west Australian forests <i>L. McCaw, T. Hamilton & C. Rumley</i>	555
The way it was <i>T. Lore / K. McPherson</i>	565
Native forests to empires of grass: The construction of New Zealand's grasslands <i>P. Star</i>	575

SYMPOSIUM 6: EVOLVING SUSTAINABILITY

A tale of two processes: The Resource Advisory Committee (USA) and the Regional Forest Agreement (Australia) <i>D. Baird</i>	589
Blundells flat, Uriarra Forest, ACT: A Cinderella story <i>M. Butz</i>	601
The Great Wall of China: Catchment policy and forests beyond the Yarra watershed 1850-1950 <i>P.S. Evans</i>	613
Management of non-indigenous cultural heritage values in the forests of south-west Western Australia <i>R. Hagan</i>	623
Provisioning the mills: A note on sustainability <i>G. Hardwick</i>	631
A forest conscienceness: Fifty years of change in Pemberton <i>M. Johnson</i>	637
Forests for sale: The historical perspective <i>P. Lane</i>	645
Reconstructing pre-European forests of south-western WA - The contribution of 1750 vegetation mapping <i>E.M. Mattiske & J.J. Havel</i>	651
Ecosystems and their moral values <i>L. Robin</i>	667
Illusive sustainability: An overview of recent experience <i>C. Sharp</i>	675
Sustaining inequity? Rethinking the history of Nepalese forest policy <i>K.K. Shrestha & P. McManus</i>	681
Evolution of silvicultural practices in the jarrah forest of Western Australia <i>G.L. Stoneman, R.P. Hagan & M.E. Rayner</i>	693
Lamington National Park and Binna Burra Mountain Lodge, Queensland: Partners in conserving the rainforest <i>B.J. Stubbs & R.L. Specht</i>	707
A case for adaptive management in the Wungong Catchment <i>C.T. Terry, A.J. Reed & F.E. Batini</i>	717
Toward sustainable management: Southern Africa's Afromontane and Western Australia's jarrah forests <i>G. Wardell-Johnson & M.C. Calver</i>	729
